Vineyard: We practice a traditional reasoned viticulture: planting grass between the rows in order to control the vigour of the plant, limitation of the number of bunches, soil tillage. Thanks to this work, we haven't used any products for grey mould over the last three years.

Terroir: *La Commanderie* at Preuilly : vines planted in 2003 on clayey gravel of quaternary sedimentary terraces settled by the rivers which shaped the valley of the Cher.

Vintage: Vintage 2014 : a marvelous fall !

Winegrowers don't always complain and can even be very happy!

After a cool and humid summer during which we had to fight mildew, a incredible fall, sunny with cool nights, brought the grapes to an exceptional ripeness. Great wines are awaiting in our cellars.

Vinification:

- Grapes are hand harvested in small boxes
- Pre fermentation carbonic maceration at 10°C
- Slow fermentation between 20 and 29°C
- Fruit and tannic extraction with pump-overs.
- One week post fermentation maceration.
- Ageing in 5 years old barrels for 9 months
- First bottling in September 2014
- Cuvée of 3 500 bottles

Fruity wine with spicy notes

Packaging: 6 x 75 cL box

Keeping: ten years

To enjoy with a good steak, white meat, or even a few types of fish.
